SUPPLEMENTARY INFORMATION:

A. Background

This rule finalizes the interim rule, which implements Title II of Public Law 102-366, the Small Business Credit and Business Opportunity Enhancement Act of 1992, which revised Title VII of Public Law 100-656, Small Business Competitiveness Demonstration Program. The Office of Federal Procurement Policy published an interim policy directive in the Federal Register at 58 FR 19849, April 16, 1993, revising the current directive dated August 31, 1989, to include revisions based on Title II.

On December 28, 1994, the interim rule was published in the Federal Register with a request for comment. Two responses were received. No changes were made to the interim rule as a result of the responses. The interim rule has been adopted as a final rule without change.

B. Regulatory Flexibility Act

The final rule implements statutory revisions included in the revisions to the OFPP policy directive. OFPP prepared the appropriate regulatory

flexibility statements as part of the revisions to the OFPP policy directive published in the Federal Register.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose recordkeeping or information collection requirements, or collections of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
